CENTRAL INTELLIGENCE AGENCY

WASHINGTON 25, D. C.

OFFICE OF THE DIRECTOR

27 January 1956

MEMORANDUM FOR: Mr.
Executive Officer
Operations Coordinating Board

25X1

SUBJECT: PCG Files

I have been advised by General Theodore W. Parker that he is sending the PCG files to you now that PCG has been abolished. I went over these files hurriedly and recaptured from General Parker one document which we had submitted to PCG and which contained a good deal of sensitive material. There are a number of other documents in the files which contain references to this Agency of such a type that we would like to have them held as closely as possible. I would be much obliged if you could arrange it so that access to those parts of the PCG files which refer to this Agency is restricted to those having a valid requirement for seeing them.

I would also be glad if the files could be marked in such a way as to insure that they will not, at some later date, be sent to the Archives or released to anyone without prior consultation with this Agency.
